Grounds for Your Challenge in This Petition

13. State every ground (reason) that supports your claim that you are being held in violation of the Constitution, laws, or treaties of the United States. Attach additional pages if you have more than four grounds. State the facts supporting each ground. Any legal arguments must be submitted in a separate memorandum.

GROUND ONE: Kim is being denied right to file the Great Writ in State Court under Article I, Sec 9 of the U.S. Constitution and/or under the 14th Amendment and or under the 1st Amendment right to petition for redress

(a) Supporting facts (Be brief. Do not cite cases or law.):

Kim had been representing himself and had his self-representation revoked and Kim's standby counsel was forced upon Kim against his will and over his objections. Kim had no choice but to file for the Great Writ. → Cont.

(b) Did you present Ground One in all appeals that were available to you?

☒ Yes

☐ No

GROUND TWO: Subsumed issue: That Kim has the right to present pre-trial dispositive issues such as double jeopardy, denial of speedy trial and ineffective prosecution under the U.S. Constitution 5th and 14th Amendments

(a) Supporting facts (Be brief. Do not cite cases or law.):

That Kim is not allowed to file anything in the State Court Criminal Case C-19-341707 now that Kim has counsel forced upon him neither the State trial court nor the NSC will allow Kim to file → Cont.

(b) Did you present Ground Two in all appeals that were available to you?

☒ Yes

☐ No

GROUND THREE: That Kim is being denied the religiously motivated right to self-representation under the 1st and 14th amendment of the US Constitution to present this issue in the Great Writ

(a) Supporting facts (Be brief. Do not cite cases or law.):

That the Scriptures KJV require Kim when brought before officials for alleged wrongdoing to speak as the Holy Spirit gives Kim to speak in those moments. Cont →

(b) Did you present Ground Three in all appeals that were available to you?

☐ Yes

☐ No N/A

GROUND FOUR:

N/A

(a) Supporting facts (Be brief. Do not cite cases or law.):

N/A

(b) Did you present Ground Four in all appeals that were available to you?

☐ Yes☐ No

N/A

14. If there are any grounds that you did not present in all appeals that were available to you, explain why you did not:

Nevada Supreme Court will not even demand that the district court issue a written, signed and filed order be done. Just relies on email denials

Request for Relief

15. State exactly what you want the court to do:

To require the State Court allow filing of Kim's Petition for Writ of Habeas Corpus (Great Writ) or in the alternative explain by way of findings of fact and conclusions of law why Kim's Great Writ cannot be filed and be given any chance to cure the deficiencies. Or in the alternative to grant the Writ within a short period of time if the respondents refuses to comply and order Kim released from custody.

Or in the alternative grant such other relief as is proper and just and speedy.

Or in the alternative excuse any exhaustion and allow Kim to file a 2241 petition regarding grounds that are capable of relief in a 2241 pre-conviction petition!

1. FACTS SHOWING THE NATURE OF THE EMERGENCY
AND OTHER FACTS

2. Kim is well known in Nevada and worldwide due to the internet for having sincere religious beliefs and practices as is documented in *Blandino v State* 914 P.2d 624(1996)(cert denied (Kim was denied right to represent himself on appeal by that court as God wished Kim to do. That Kim was called by the Creator to investigate judicial corruption and misconduct in Clark County, Nevada. To be a unpaid volunteer [which means unofficial] investigator working with the Nevada Commission on Judicial Discipline NCJD. Now as of January 23, 2022 former judge Herndon now justice Herndon's reprehensible conduct in saying to Kim "if you want to act like an a**hole act like an a**hole for which he earned a letter of caution from the NCJD (upon Kim's complaint). and Senior Judge Bixler's disgusting antics are on full display. This video has in over 7 months has had 1 million 360 thousand views with almost fifteen hundred comments at <https://www.youtube.com/watch?v=ui4JozqZkWk>. Many commenters are astounded how such judges can still be on the bench adjudicating and determining how people will live their lives for decades to come. Both Herndon and Bixler lend disrepute to the judiciary for the whole

world to see. Kim gets comments to respond to, from all over the world.

Aside from this court cam website on youtube, A&E aired this and continually airs this on television to millions of viewers. Now This above video is in its entirety part of the Most Viewed Moments of 2021.

With over 10 million views worldwide and 7,795 comments many

That judge was a disgrace, no one should be treated like that, can you imagine it was you at court and you were treated like that by the judge?

That additionally Kim had a letter of caution issued by the NCJD against

former judge Bare (upon Kim's complaint) as a direct result of God calling

Kim to this task of investigating judicial corruption.

Kim is either in custody by Sheriff Lombardo (“Lombardo”) alone or by both Lombardo and Judge Leavitt (“Leavitt”) and chief judge Linda Bell (“Bell”). Kim is in custody by way of a house arrest module in violation of the Constitution, laws or treaties of the United States and/or in violation of the Constitution, laws or treaties of the State of Nevada for the grounds contained herein below. That the Nevada Supreme Court (“NSC”) has just denied relief in Case No 84073 See Exhibit 1CF Order denying petition for extraordinary relief. That this was filed after chief judge Bell denied filing a petition for the Great Writ and said denial came only in an email. See Exhibit 2CF attached.

6. Kim has been wrongfully rearrested 4 times between the city and the county and has gone through the “sleeping on concrete floor for days” and given meals for days with no toothbrush 4 separate times.
7. As a result, Kim has not been 100% in his mental acuity for years now. Add to this the fact that Kim was incarcerated between CDC and the City for over 32 days collectively Kim has not been able to do all the tasks that Kim has had to attend to even the necessary bodily functions and daily chores necessary to modern life.
8. That Kim has been given charge by God to investigate, gather evidence and if necessary prosecute complaints against corrupt judges committing willful misconduct and has been doing so for many years now.

3. Kim as a result of following his religious practice of seeking to resolve matters with the individual that offended or that was offended. Kim has been retaliated against. As a result a State District Court judge wrongfully declared Kim a vexatious litigant. Kim is also being vindictively prosecuted for a felony and gross misdemeanor.
4. In seeking to resolve a matter of misconduct with a temporary judge for the City of Las Vegas, Michael Federico(“Federico”) retaliated against Kim and has initiated charges through the D.A’s office for Extortion. Kim faces a possible 10 years in prison plus one year if convicted of the gross misdemeanor Case # C-19-341767.
5. Kim sought emergency relief in the Nevada Supreme Court on multiple occasions. Kim’s cases that are all related are 79191, 79191-COA, 79524, 79524-COA, 80363, 80363-COA, 80541, 80541-COA, 80606, 80606-COA, 81327, 81327-COA, 81431, 81765, 81765-OA, 82034, 82034-COA, 82502 and now 83259 and 83472 83618 and 83958 84073.

Kim was first arrested on May 21, 2019 on the Extortion charges and was released on excessive bail and punitive house arrest about one week later. Kim was denied to appear at a pre arranged hearing with the City of Las Vegas while at the Clark County Detention Center (“CCDC”) or to even communicate to avoid a bench warrant being issued. So, 4 days after Kim was released on house arrest Kim was arrested on the City bench warrants.

9. That in accord with Kim's religious beliefs and practices Kim is required to contact the offending judge or justice and see if the offense can be resolved without having to file a complaint with the Nevada Commission on Judicial Discipline ("NCJD"). That Kim has followed this foregoing process with judges Bare, Herndon, Gonzalez, Bell, Scotti and alternate judge Michael Federico (Federico") for the City of Las Vegas Municipal Court and others.
10. That the Creator did call Kim to immediately visit with Andrew Blandino at U.C. Davis in California. That the NSC has repeatedly denied Kim that relief. That despite these repeated denials that the Creator did give Kim this **miracle** and Kim did see Andrew get his PhD on December 9, 2021 using corporeal sources to achieve this.
11. That Kim has been orally ordered only to stay away from Michael Federico and Shannon Nordstrom by judge Leavitt. That judge Leavitt has issued other oral orders and willfully and maliciously refuses to make written signed and filed orders in violation of **Debiparshad v District Court** 137 Nev., Adv Op 71 citing **Rust v. Clark Cty. Sch. Dist.**, 103 Nev. 686, 689, 747 P.2d 1380, 1382 (1987), Including that Leavitt has now orally only that Kim's right to represent himself is revoked and Leavitt has appointed Kim's stand by counsel Bennair Bateman as "full time" counsel. That as of Jan. 25, 2022 Bennair

Bateman's motion to withdraw as counsel has been denied, again without any written signed and filed order. See Exhibit 3CF Register of Actions.

12. That Kim has had no choice but to file a federal lawsuit on July 2, 2021 against Michael Federico with Kim's statute of limitations running out. Case # 2:21-cv-01262-JAD-EJY Because Kim has been orally threatened with arrest and jailing for contacting Federico for any reason by various judges, Kim has been unable to serve or seek waiver of service under the FRCVP 4(d) where there is a duty to avoid unnecessary expenses. That although Kim has asked for an extension of time to serve the summons and complaint, Kim is being prejudiced by Leavitt's willful and malicious refusal to issue a written signed and filed order as to this issue.
13. That Kim needs relief immediately and this court grant habeas so that Kim can get relief from Judge Bell through habeas in that collateral proceeding.
14. Leavitt has over and over again refused to follow the dictates of *Rust* and this court has been forced to address this and order Leavitt to comply in many cases. Now on January 12, 2022 Leavitt has issued the written order revoking Kim's self representation. Yet Leavitt has still not issued a written signed and filed order regarding the stay away order named above. There has been no written order regarding the stay

away from Federico and Nordstrom. This order revoking self representation filed on 12/27/2021 is attached as Exhibit 1LC to Exhibit 3MR in Motion to reopen filed in Case #2:20-cv-02157-JAD-VCF . In fact Leavitt could easily have incorporated the stay away order within this order yet **refused to do so!** So the NSC's language that stated in Case 83958 that:

“This court is confident that the district court will resolve all pending matters, by written order as appropriate, as expeditiously as the court's calendar permits.” Order denying relief filed 12/23/21

This language rings completely hollow!!

15. That on January 10, 2022 Kim after much legal research and the NSC repeated statements to Kim that the Nevada Supreme Court was not a fact finding court Kim submitted a Petition for Writ of Habeas Corpus directly to chief judge Bell under NRS 34.360-34.680 and the U.S. Constitution. Kim being under a vexatious litigant order Kim must present any filing to the chief judge. This petition to chief judge Bell was attached to the petition to the NSC as Exhibit 4JEP of Exhibit 3MR here and was only submitted after Kim tried to get a judge appointed from another district without having to file a formal petition which is referenced in the petition as Kim sent a letter to judge Bell asking for her to do what she did in the Marlon Brown case that was referenced in that petition and ask for an assigned judge from outside the district.

16. Kim asked immediately to have written signed and filed orders. Kim cannot get relief from the state court without a reviewable order, the Nevada Supreme Court court has stated this over and over again. Moreover, Kim must now have this court forward this refusal by Leavitt to follow the **REVISED NEVADA CODE OF JUDICIAL CONDUCT** (“Code”) Rule 2.5 which states:

Rule 2.5. Competence, Diligence, and Cooperation.

(A) A judge shall perform judicial and administrative duties competently and diligently.

(B) A judge shall cooperate with other judges and court officials in the administration of court business. (emphasis added)

And Leavitt has violated Rule 2.5 and Kim requests that this court to forward immediately this to the Nevada Commission on Judicial Discipline (“NCJD”) which is a judges’s obligation under Rule 2.15 which states:

Rule 2.15. Responding to Judicial and Lawyer Misconduct.

(A) A judge having knowledge that another judge has committed a violation of this Code that raises a substantial question regarding the judge’s honesty, trustworthiness, or fitness as a judge in other respects shall inform the appropriate authority.

(B) A judge having knowledge that a lawyer has committed a violation of the Nevada Rules of Professional Conduct that raises a substantial question regarding the lawyer’s honesty, trustworthiness, or fitness as a lawyer in other respects shall inform the appropriate authority.

(C) A judge who receives information indicating a substantial likelihood that another judge has committed a violation of this Code shall take appropriate action.

(D) A judge who receives information indicating a substantial likelihood that a lawyer has committed a

violation of the Nevada Rules of Professional Conduct shall take appropriate action.

17. That as of the date of this writing the NSC has denied Emergency relief asked for by Kim in Case #84073 See Exhibit 1CF attached (order denying Petition For Extraordinary relief). That thankfully the NSC did treat this as an Emergency and did give Kim a decision 7 days after the petition was filed.

That Kim has been taking care of Evelyn Pendergraft (“Evie”) who is now 96 years of age since August 2, 2021 and is a WWII veteran whose husband died in 1999 and only son died in 2013 due to hospital malpractice. That Kim made a vow in 2013 to take care of this “Wonder Woman” and has been her house mate ever since to fully fulfill that vow. Evie helped both to defeat Hitler and Hillary (by different means of course). Evie now has a pacemaker and is in very much pain every day due to a back injury and arthritis in her knees.

Yet she still soldiers forward like the trooper she is!

Evie knows all of the circumstances behind this prosecution that is really a persecution. Her health is being dramatically and negatively affected day after day due to the uncertainty and worry she experiences because of the constitutional violations Kim has experienced and what Evie sees as deliberate tormenting of Kim. Despite Kim’s consistent glad countenance and the “happy warrior” attitude that all Christians have, as both a command and a gift from the Creator, Evie still worries about this situation and vindictive

prosecution of Kim and fears Kim unjustly and illegally going to jail every day by tyrannical authorities.

Evie heard the telephone call from the complaining witness Federico and the intended entrapment on or about April of 2019 and now her memory has faded such that she cannot withstand cross examination on the stand and her ability to be an effective witness is being compromised more and more each day. This fact torments Evie as well.

Yet Evie's health is Kim's emergency concern. Kim is very much concerned that Evie will not make it to 100 years of age if this "persecution" keeps on for much longer. if Evie survives to August 2, 2025 then Evie would receive a congratulatory letter from either then current President Trump or then President DeSantis. It is vital that this matter be resolved so that Evie's life is not cut short because of this unjust and vindictive prosecution that has now dragged on unjustly for over 2 and a half years . That even over these last weeks Evie's morale has suffered greatly and this latest denial by the NSC has further hit Evie's morale and her health has suffered. Kim told Evie that there was still hope with the federal district court, yet because of these repeated past court denials this does not offer the reassurance to Evie that Kim's statements of hope had in the past. This increased concern over Evie is affecting Kim negatively and is reducing Kim's ability and capacity to even prepare these documents. Kim is being greatly prejudiced. Kim must give Evie some real tangible hope in the form of some encouragement by this

court or the Ninth Circuit if this court fails to give relief.

Kim does not wish Evie to die prematurely yet this injustice is slowly robbing Evie of the will to live and without the will to live, Kim believes that Evie will not last long. Kim's sons Zachary and Andrew have both lost their maternal and paternal grandparents. They both have willingly adopted Evie as their adopted Grandmother and she has adopted them as her adopted grandsons. It would be nothing less than criminal for the courts to be accessories to her premature death by refusing to act when clear manifest injustice is being done.

18. The NSC did take this emergency seriously and although did not grant relief the denial was fairly quick. Just as Judas did as Jesus asked when Jesus knew that Judas was going to betray Jesus. See John 13:27 KJV "And after the sop Satan entered into him. Then said Jesus unto him, That thou doest, do quickly." Therefore this court should give deference to this speedy determination by the NSC Kim therefore needs quick and emergency action by this court.

19. That Kim has worked all weekend immediately after getting a copy of the NSC ruling and believes that the speed in getting this to this court is more important than the quality of this emergency motion. To use a term from the iconic TV show MASH Kim considers this "meatball surgery" to save lives. Kim must give

Evie real hope that Kim is doing everything possible to save her life.

20. That Kim has been denied the right to even file a petition for the Great Writ with the state Court in violation of the Constitution of the United States.

21. That because Nevada allows collateral proceedings of habeas parallel to the criminal case a writ will not interfere with the criminal proceedings and therefore Younger is not impacted. See memorandum filed contemporaneously with this petition

22. In the alternative Kim has the right to have his double jeopardy claim and denial of speedy trial claims to be adjudicated in a 2241 petition if the state court refuses to adjudicate or even deny Kim the right to file the Great Writ.

That Kim has filed an Emergency Motion to reopen in Case #2:20-cv-02157-JAD-VCF on January 24, 2022 and as of this writing Kim has had no response therefore Kim must engage the requirements of 28 U.S.C. Sec. 2243 by filing this emergency amended petition.

Therefore Kim needs emergency relief immediately An Emergency Memorandum will follow.

ORDER DENYING PETITION FOR EXTRAORDINARY RELIEF

This is an original, pro se, emergency petition for extraordinary relief seeking (1) to compel the district court to enter a written order reflecting the no-contact comments it made during an August 24, 2021, hearing and (2) to file petitioner's habeas corpus petition, which apparently was rejected for filing on January 11, 2022, after pre-filing review pursuant to a vexatious litigant order.

Having reviewed the petition and supporting documentation, we are not convinced that our extraordinary and discretionary intervention is warranted. *See Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004) (observing that the party seeking writ relief bears the burden of showing such relief is warranted); *Smith v. Eighth Judicial Dist. Court*, 107 Nev. 674, 677, 818 P.2d 849, 851 (1991) (recognizing that writ

relief is an extraordinary remedy and that this court has sole discretion in determining whether to entertain a writ petition). Accordingly, we

ORDER the petition DENIED.

Misha:

As you know the writ of Habeas Corpus is also known as the Great Writ and that I am required to exhaust all state remedies prior to going to the federal court on a 2241 petition. Since I have been denied the right to file anything in case C-19-341767 I must file this petition under NRS 34.360-680. Ben has said he would not file any pre trial dispositive motions or motion to disqualify the D.A. Therefore I must file this habeas petition. The Nevada Supreme Court over and over again has said they are not a "fact finding body" So Kim filed here in the district court first. I intend to start immediately on an extraordinary writ petition to the NSC. As you well know they require a written signed and filed order to review. therefore I demand a written signed and filed order that has findings of fact and conclusions of law by chief judge Bell.

BELL MUST MAKE a WRITTEN SIGNED AND FILED ORDER as to the denial. To not do so would be a violation of the judicial code and her duty as chief judge. If Bell refuses to make such an order I will have no choice but to ask the NSC to mandate that Judge Bell do so. Becasue Kim must exhaust his state remedies Kim needs a record of this denial for the federal court as well. See " The district court's oral pronouncement from the bench, the clerk's minute order, and even an unfiled written order are ineffective for any purpose and cannot be appealed. See:

Farnham v. Farnham, 80 Nev. 180 (<https://casetext.com/case/farnham-v-farnham-6>), 391 P.2d 26

(<https://casetext.com/case/farnham-v-farnham-6>) (1964); Musso v. Triplett, 78 Nev. 355

(<https://casetext.com/case/musso-v-triplett>), 372 P.2d 687 (<https://casetext.com/case/musso-v-triplett>) (1962)." Rust v. Clark Cty. School District, 103 Nev. 686, 689 (Nev. 1988)

Please email me back and tell me whether Bell intends to do a written order or not ASAP.

I am starting on this Emergency petition right after this email is sent
